The policy is effective by 1st April 2023.

1. Who We Are

SHRINES is a two-year project co-funded by the European Commission as part of the Internal Security Fund – Police programme. SHRINES aims to enhance the protection of places of worship using novel technological tools and the creation of a European network for safety and security management in places of worship to facilitate the exchange of knowledge, tools, and good practices among different stakeholders involved in managing places of worship.

In this context, Tech for SHRINES Hackathon aims to raise awareness on the risks associated to specific attacks and to investigate potentially beneficial technology solutions to handle them. Additionally, it will allow representatives of institutions (religious faiths, academia, tech developers) beyond the consortium, to profit from its results through direct participation in the Hackathon.

SHRINES consortium is coordinated by the not-for-profit association SAFE (Security and Freedom for Europe) VAT number 026004600394, with registered office in Via Maggiore 73 48121 – Ravenna, Italy (hereinafter SAFE) who will be responsible for the management and treatment of your personal data (hereinafter, 'data controller').
